Dear Parent/Guardian,

RE: JANUARY 2021-RE-OPENING OF THE SCHOOL

I hope you are all well and keeping safe as we navigate through this Covid-19 pandemic which has literally affected ALL of us directly. We thank the Almighty God for His grace has kept us safe in spite of all the challenges that have befallen us.

We are winding up the learning of the two classes that have been in session i.e. Grade 4 and our candidate class Std. 8. As you are all aware, all schools in the country are expected to open on 4th January 2021. Our pupils will report for second term on 5th January 2021 without fail. We trust God that this Corona monster will haunt us no more and that our children will learn without any disruption.

To enable you pay school fees in good time, we have started sending fees invoices for next term by email and this should be through by tomorrow God willing.

If for any reason your email is not functioning as expected, we are posting the 2021 fee structure which is the same as the one for last year.

Kindly go to the school website www.nyalischool.sc.ke and check the respective class of your child, ascertain whether he or she uses the school bus, takes snacks and lunch, total up what to pay and then pay as instructed below the fees structure and then forward the payment details to the number provided therein.

God bless you all.
