The Mombasa Parents Club

Dear Parents/Guardians,

RE: VIRTUAL LEARNING

It's my prayer that you are all fine and keeping Safe. On behalf of the board we thank you most sincerely for your feedback and suggestions on the way forward during this very unprecedented time of COVID-19 pandemic.

The Board of Management had a meeting yesterday evening and resolved that virtual learning will only be offered on voluntary basis to those parents willing and would want their children to benefit from this program.

To ensure the program runs successfully and motivate our very hardworking staff who are sacrificing all they have just to help our children, we request you to pay the following per month with effect from **1st May, 2020** in the indicated categories.

Day Care to Grade 3 - Kshs 5000.

Grade 4 to Std. 7 - Kshs 7500.

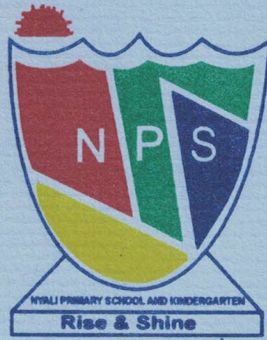

Std. 8 - Kshs 10,000.

This is strictly for virtual learning and not school fees.

Kindly liaise with the School Principal, class teacher and the Accounts office for further clarification.

Thank you very much for your continued support.
