RE: END OF ACADEMIC YEAR 2022 CIRCULAR

We have come to the end of the year and we thank the Almighty God for this far He has brought us. We had a very eventful year with a lot of achievements. For sure we saw the mighty hand of God in everything that we did and can only but count our blessings in different disciplines. I thank all the parents for your support, cooperation and interest in school programs over the years. God will indeed bless you.

Our academic year 2021 comes to an end tomorrow 3rd March, 2022 followed by a long holiday of about two months.

1. **THE KCPE 2022 DATES:** This exam would have taken place last year October 2021 were it not for Covid-19. The Kenya National Examinations Council has scheduled it as below:

Friday 4th March 2022 - This will be the rehearsal day.

Day 1: Monday 7th March 2022- Mathematics, English and Composition.

Day 2: Tuesday 8th March 2022- Science, Kiswahili Lugha and Insha

Day 3: Wednesday 9th March 2022- Social Studies and Religious Education.

I humbly request all the members to pray for our candidates that God may grant them high degree of success and fly the flag of our institution higher than it has been. With God on their side, they can make all of us proud.

Despite the many challenges we have faced and a myriad of unnecessary disturbances God is going to grant our candidates great success that surpasses their expectations.

NB: Kindly note that our current Std. 7 and Grade 5 will also be doing their final National Exams in November. We need your support and cooperation more than ever before.

2. **CLOSING DAY:** We are officially closing the school tomorrow **Wednesday 2nd March 2022**. This comes unusually early due to the ministerial directive given to all schools across the country. This implies that our children will have to stay at home for nearly two months. However, we intend to turn the institution into a talent centre as from 21st March 2022 to 21st April 2022 where different activities will be taking place so that our pupils are positively occupied throughout.
3. **END OF TERM EXAMS:** This has been completed in all classes. The results will be released in the report books which will be given to your child. Discuss the general academic progress with your child. We have exposed the learners to various evaluations throughout the term from across the country and we believe this will enable them to improve in their progress. Demand good performance from you child and put strategic measures in place as we move on. Let our children cherish hard work for it kills no one but attracts more blessings when they succeed.
4. **SCHOOL FEES:** On behalf of the Board of Management, I take this opportunity to thank all parents that paid and completed their fees, we appreciate you. We also wish to remind those who are yet to clear to do so before the end of this week to enable us meet our obligations as expected of us before the long holiday ahead. Our offices will remain open throughout this period to serve all parents and those that owe the school and wish to clear the balance in the week. Kindly do this to reduce the burden when the new academic year begins on **26th of April 2022**.
5. **DISCIPLINE:** Our dear parents, it is an open secret that the society we live in today is faced with a myriad of social evils coupled with a lot of insecurity. We can no longer bury our heads in the sand and pretend that all is well unless we are living in denial. The life of our children is threatened beyond measure even through social media and the kiosks and shops near our homes. Every effort must be made to insulate our youngsters against these vices that cause a threat to their future on a daily basis. Kindly dear parents don't allow technology to slowly murder our children as we watch. The modern technology that our children cherish most e.g

smartphones, TVs, Tiktok, Instagram, Twitter and Facebook etc though important and necessary for our use have turned out to be very destructive to our children. I am making a very passionate appeal to all parents not to allow these items to bring up children on our behalf. Let us create time out of our very busy schedule and be there for our children. They are all we have and can count on. We shall give an account before God on how well we took care of our children. Let us guard our children against abusive social media that has become a conduit of character corruption to all humans. As a centre of excellence, we shall at times have a firm and noncompromising hand on the discipline of our children as one of our core pillars. As an institution we recognize that the beauty of a person is not in his/her good looks but rather strong character and Godliness. May God bless our children.

6. **AGM:** This is scheduled to take place on **19th of March 2022** at the school premises. You are requested to attend and participate in sharing ideas that are developmental so that we can take our institution to the next level. Kindly plan to attend without fail.

7. **IMPORTANT DATES TO REMEMBER**

1.	Closing date	2 nd March 2022
2.	School reopens for 1 st term	26 th April 2022
3.	Prize giving day	14 th May 2022 (for 2019, 2020 & 2021)
4.	Mid term	26 th -29 th May 2022
5.	Closing date	2 nd July 2022

Note: We have allowed class parties as we close tomorrow for all classes. They missed it for many years.

On behalf of the Board of management, the teaching and nonteaching staff and the entire Nyali School Fraternity, I wish you blessed holidays. God bless you abundantly.

Yours faithfully,

John Kombo
