Please create time with your child(ren) and go through the Exam/ Assessment Papers and results. Identify key areas which need to be ironed out and air your views to the concerned teachers/facilitators when you come for the Open Day. Demand good performance which includes neat handwriting and good work organization from your child. Put in working strategies to enable our pupils excel in their academics.

Let us continue to encourage our child(ren) to read their notes and story books even after the end of year exams and school closure. Learning is a continuous process. Let us cherish it.

3. **SCHOOL FEES:**

On behalf of the Board of Management May I take this opportunity to thank all the parents and guardians who have paid and completed their fees -we really appreciate you. We also wish to remind those who are yet to clear to do so before the end of this month - November. This is to facilitate smooth running of the institution. Kindly arrange to clear the fees balances without further reminders.

4. **DISCIPLINE:**

We all understand that discipline is the key to success. Let us all team up to mould our child(ren), closely monitor, mentor and guide them. They should uphold good discipline even when left alone. Create time with them, correct them on time and guide them on the right path. As we discuss this take note on the following:-

a) **Smart Watches:**

The above gadgets have started getting space in our homes and eventually in school. Please refer to rule number 7 in our School Diary. Advise your child not to wear as they disrupts learning and concentration.

b) **Vaping:**

This is the latest drug demon that has cropped in our society and some of our homes. Let us not bury our heads in the sand. This menace is here with us. Kindly sit down with your children and talk to them at length on the dangers and health risks of using drugs and substances. Advise our children to choose their friends wisely and report any vice to our teachers and parents.

The school will expel any pupil found in possession and in use of this drug or any other. This is a collective responsibility to make sure that our children do not fall victims of vaping. (Kindly goggle) you will understand this vice best.

5. **UNIFORM:**

As we are coming to the end of the term, kindly check on your child (ren) uniforms. Ensure they have the right school uniform, P.E. Kit, Games Uniforms, school shoes and pair of socks. Please replace the worn out and replace them with new ones. Ensure labelling of the same to minimize loss of items. Girls are required to have correct hair styles and boys are required be too well shaved when school is in progress.

6. **GRADE 7 - JUNIOR SECONDARY SCHOOL:**

We would like to assure our dear parents with children who are to join JSS next year that our school JSS is up and ready for them all. We have and shall take all required measures by the Government to make sure that we offer the best to our CBC pioneers. We therefore look forward for a hundred percent transition of our pioneers to our Junior Secondary School. The final details on the same (uniforms, Fee Structure and booklists) shall be communicated in due course.

7. **DAYCARE/PLAYGROUP ADMISSIONS:**

Daycare admission are ongoing. Children who have turned 3 years and/or turning 3 years between now to January can get admission. Kindly visit the School and get admission forms from the accounts office. Pass this information to your friends and relatives who would like their children to get a slot in the Nyali School.

8. **SCHOOL ACADEMIC TRIPS:**

School Academic Trips are highly recommended for all the children as quoted in the Diary rule No.15. They are purely academic where good learning takes place as the pupils get to see and interact with real environment.

Grade 7 trip is scheduled for 6<sup>th</sup> December, 2022. They will visit Eastern Nairobi, Rift Valley and Central Regions. Grade 4 and 5 are having their trip in the same month. Let us give their required support to facilitate good planning for the same.

9. **HOLIDAY ACTIVITIES: (EXTRA CURRICULAR).**

We are all aware that this will be the longest holiday in the academic calendar, you are therefore advised to engage your children in healthy extracurricular activities.
