Dear Parent/Guardian,

RE: CHARITY WALK 2019- MESSAGE OF APPRECIATION

On behalf of the Management Committee and the entire staff of this great institution, receive warm greetings. We trust that this circular find you well, in good health and busy building the nation. We also take this opportunity to acknowledge and appreciate you for the good partnership, support and cooperation we continue to enjoy from all our honourable parents and members of this Club.

Below is an update on a few key items pertaining to our school:

1. **CHARITY WALK:** We sincerely thank all our parents who turned up in large numbers for the Charity Walk on Saturday. It was awesome seeing you as senior members of our vibrant Club take the entire course to the very end. I marvel at the amount of energy in our lovely children! Even some very young pupils ran and walked the entire course and even after coming back they danced a lot at the school grounds. Thank you all for making the Charity Walk such a great success. I humbly request our esteemed parents who by now still have not forwarded the forms and the contributions to do so please by Friday so that I can finally inform you the total amount collected and how the same will be put to use. Ensure you get a receipt equivalent to the amount of money you have forwarded or sent the child with. You can also send the contributions if you have not done so through the school M-Pesa Paybill **522123** Account Number **61806K** then forward the message to 0728107484. We shall put every penny contributed by the parents/pupils to good use as initially intended. Many members suggested after the walk that we hold this event

regularly because of the opportunity it provides for the members to bond and socialize during and after the walk. God bless you all abundantly in your endeavours.

2. **SCHOOL FEES:** Parents, we have all gone through a very lean period of time economically but just like our rental and food responsibilities, fees is and should be a priority in our expenditure. We need the fees paid in good time so as to guarantee the quality of education that we all desire. We thank parents who have already settled their fees obligations and request those who have not to do so this very week to avoid the interruption of their children's education.

3. **AGM:** After failing to raise a quorum for our AGM that was supposed to take place on 27th April, 2019, kindly note that the next AGM is scheduled to take place next week on **18th may, 2019** at the school cafeteria starting at exactly **9:00am**. Purpose to attend this please!!

4. **RAMADHAN:** On behalf of our teaching and non-teaching staff, pupils and more so the Management Committee hereby do wish all our Muslim parents Ramadhan Kareem during the entire Holy month. May the blessings of God bring joy, peace, wealth and good health. Enjoy the abundance of riches in God's kingdom even as you remember the less fortunate in society and also as you share with us your brothers and sisters. God bless you all in a special way. Amin and Amin.

Yours Faithfully,

John Kombo

Principal.
