RE: NOTIFICATION OF SPECIAL MEETING AT NYALI SCHOOL ON 19/10/2019.

Kindly note that this police command received your notification vide a letter dated 14th October 2019 on the above subject matter. However upon close scrutiny of your notification letter the name of the head of the said secretariat could not be established and as such it will be difficult to identify the organizers.

Further this station is in receipt of very credible intelligence that the meeting could jeopardize the peaceful learning environment of the students who are preparing to sit for their KCPE examination.

Kindly note that the meeting is thereby **NOT AUTHORISED** to take place on 19/10/2019 but you may seek an alternative date possibly after the KCPE examinations and ensure that you capture the requisite details of the organizers including telephone numbers.
