Dear Members,

RE: DISPOSAL OF SCHOOL BUSES

Ever since we discussed the disposal of our two old buses **KAX 531C** and **KAX 529C** bought in 2007, there has been very low interest from the public or Club Members.

Initially Mr. Paul Ngei who also happens to be a Club Member had offered 3 million for the two buses but due to time factor he opted to buy from another provider.

Now Mr. Mutitu Richard Mwangela had offered to pay 3M for the two buses. This he did in writing as indicated below.

Any Member with a better bid is highly welcome. By the end of this week if we do not have any other member interested then Mr. Mutitu will be allowed to pay for the buses.
