**All Parents/ Guardians,
The Nyali School,

Dear Parent/Guardian,

RE: MID TERM I 2020 CIRCULAR

We have come to the mid of this term and we thank the Almighty God for a wonderful start. We appreciate your contribution and support towards the wellbeing of our great institution.

1. **MID TERM:** We are breaking for mid-term on Monday 17th February, 2020 and reporting back to school on Monday 24th normal reporting time without fail. This is quite an eventful term and giving our pupils a long break is quite in order. We hope this break will refresh them.
2. **PRIZE/THANKSGIVING CEREMONY:** Our annual Prize Giving Day is scheduled to take place on the 9th day of April, 2020 as we close school the same day. This is a very special and important day in the lives of our pupils. We look forward to seeing you then.
3. **SCHOOL FEES:** I thank all those Club Members/Parents who have cleared their school fees in spite of the economic hardships we are all experiencing. Please dear parents, let us make the payment of our children's school fees a top priority before end of this midterm. We do not wish to send pupils home for the same.
4. **CO-CURRICULAR ACTIVITIES:** This term is crowded with many sporting events and a lot of support and cooperation is needed from all the key stakeholders. We have already taken part in the swimming competitions where our school has emerged position one and we still have quite a number remaining. We also have two of our own Annual Inter-House Swimming Galas. Let us turn up in large numbers and give our champions moral support.

5. **DISCIPLINE:** Success in life calls for a lot of discipline on the concerned individual(s). As a basic learning institution, we shall continue to have a firm but loving hand on the general character of our pupils and staff. We are therefore calling upon our highly esteemed parents to take up an active role in shaping the destiny of our beloved children by putting an eye on all that goes on around them. Be there for your children however busy you are.
