The Mombasa Parents Club

9th February, 2021

TO ALL MOMBASA PARENTS CLUB MEMBERS

RE: THE CHAIRMAN'S BRIEF –FEBRUARY 2021

We are already midstream in a unique term where Grade 4 and Std. 8 the 2021 KCPE candidates are doing their 3rd term while the rest of the school are into 2nd term. Very unique indeed! This term will be extremely busy particularly to the candidates and their teachers.

1. KCPE CANDIDATES

Despite the many challenges they went through the time they were out of school due to Covid-19 pandemic and laxity to make Std 8 virtual learning effective, our Std 8 candidates are going through thorough revision with their very devoted teachers. The teachers are doing a commendable job of preparing the class under a very complex and harsh environment. A close scrutiny of the examinations the candidates have done in the last few weeks clearly shows that the class is set for KCPE.

The encouraging state of affairs notwithstanding, the management committee calls upon each one of you and particularly the class 8 parent to render help and assistance where necessary for our champions to excel. More than ever before our candidates require love, care, understanding and support. The period can be extremely stressful and full of anxiety for the candidates and even their teachers. Let us all offer stabilizers, encouragement and the required motivation.

The other classes are also busy covering the syllabus/curriculum designs as they prepare to move to the next term. As the board of management, we offer our prayers to all of them without ceasing.

2. SCHOOL FEES

We are in the second month of the term. Members are humbly requested to ensure that all outstanding fees is settled not later than **10th February, 2021**. We have also noted that quite a good number of members with class 8 candidates are yet to settle fees in full. We ask you to pay up to avoid disruption of focused preparations for our pupils.

The Board of Management has instructed the Principal to keep away pupils with school fees balances. If you have any balances kindly do not drop your child to school on Wednesday 10th February, 2021 to avoid the child being returned back home.

3. SCHOOL NURSE

This is to inform all club members that the school has acquired the services of a **fulltime Nurse Miss Brenda Auma-0706377528** who will be working hand in hand with the staff in case of emergencies and pupils' sickness.

4. UPDATING OF CLUB MEMBERS DATABASE

To serve you effectively and manage club affairs well, we humbly request to provide all the required details for effective communication from the club or school to you and vice versa. Most of the emails we have sent to you have bounced back to us or cannot just go through to reach you making most members miss out on important information from the school/club. To remedy this and enhance our mutual communication among the stakeholders, kindly provide the following key information.

1. Your cell phone no:
2. Your email address(current please)
3. Your ID No.s i)
ii)
4. Digital passport size photograph –This is to facilitate provision of club membership cards pursuant to section 21(b) of our club constitution. Kindly send it to the school WhatsApp number **0759354809**

The Board of Management Mombasa Parents Club do wish you the very best of Gods blessings even as you navigate through these difficult moment of Covid-19 Pandemic and economic hardship. We trust in God and he will see us through. Be blessed abundantly!

BENJAMIN GITONGA
CLUB CHAIRMAN
