Dear Sir / Madam

**RE: THE ANNUAL GENERAL MEETING OF THE
MEMBERS OF MOMBASA PARENTS CLUB**

The above matter refers.

We trust that this notice finds you well and in good health.

As you are aware, the Government of Kenya has been issuing periodic directives aimed at preventing the spread of the Covid -19 pandemic. On **26/3/2021** the Government of Kenya issued directives that locked down 5 counties and closed all learning institutions countrywide, among other directives. On **01/5/2021** the Government of Kenya issued further directives thereby re-opening the said 5 counties and allowed the re-opening of learning institutions. One of the consistent directives issued by the Government of Kenya is that social gatherings of more than **100** people are prohibited. Currently our Club has a membership of **1200** members. The quorum for an Annual General Meeting is a **third (1/3)** of the total members.

In view of the foregoing the Board of Management has resolved to hold the Annual General Meeting of the members of the Club for the year 2020 /2021 in abeyance in accordance with directives issued by the Government of Kenya on **01/5/2021**. The Board will issue a notice convening the Annual General Meeting at the earliest moment possible but in compliance with existing Covid -19 protocols as may be issued by the Government of Kenya from time to time. The Board is also exploring the possibility of holding a virtual Annual General Meeting within the confines of the Constitution of the Club.

We will keep you updated.
With Kind regards

Yours faithfully,

**PAUL MUNYAO
HON. SECRETARY
MOMBASA PARENTS CLUB**
