To All Parents.

Dear Parent,

**RE: MID-TERM**

We are almost coming to the mid of this term and we are grateful for this far the Lord God Almighty has brought us. We sincerely thank HIM for everything in our lives.

We write to inform you that from **Tuesday next week**, which will be **Madaraka Day**, our mid-term break will commence. We expect pupils to be back to school without fail on **Monday 7<sup>th</sup> June 2021** at the usual reporting time.

**SCHOOL FEES:** Kindly ensure you have cleared the balance of your fees before children report back from mid-term. Let us avoid at all costs a situation where pupils will have to be sent home because of unpaid fees. The Accounts office will remain open throughout for this very reason. Please do pay the balance of your fees in full.

**HOMEWORK:** Pupils will be given adequate homework to be done at home and keep them busy during these unusual times. Kindly ensure that this work is done keenly and in a more focused manner rather than doing it mechanically.

Lastly, let us all pray for our country and more so this region that God may take away this monster of Covid-19 and that the economy of this region may flourish for us to meet our obligations. We all need God this time more than any other time.

God bless you all and God bless The Nyali School.

**PRINCIPAL**
