The Mombasa Parents Club

23rd August, 2021

Dear Parent/Guardian,

RE: GRADE 5 AGRICULTURE TRIP

The Agriculture panel has organized for an out of school activity on **25th August, 2021** to the eroded side of Mwakirunge. This is in line with the CBC guidelines hence learner's participation is mandatory. Kindly ensure that the learner has a container to collect soil. Pictures of the days' activities will be taken.

The learners will leave the school at **8:00am** and are expected back by **11:30am**.

Thank you in advance for your cooperation.

Yours faithfully,

JOHN KOMBO
