Dear Member,

RE: THE CHAIRMAN'S BRIEF

The above matter refers.

It is indeed a while since we last met in the Special General Meeting that was held towards the end of 2019. Plans and efforts to meet for our Annual General Meetings for 2020 and 2021 have not been successful because of containment measures that have been put in place by the Government from time to time aimed at preventing the spread of the Covid-19 pandemic. The most consistent measures that have been in force include the prohibition of public gatherings and the observance of social distancing amongst individuals. With the current nationwide drive for vaccination, we hope that we shall soon reach a level that the Government will fully open up the country and allow public gatherings like it has happened in other countries in which the vaccination rates have reached acceptable levels. We therefore hope that we shall meet for our AGM sooner than later in accordance with directives issued by the Government of Kenya.

In anticipation, we have posted the audited accounts for the financial year ending 31/12/2019 and that of 31/12/2020 respectively on the school website www.nyalischool.sc.ke for your record and consideration. We ask members to go through the accounts in depth and seek any clarification from the Club Treasurer or the Board of Management in general. Advance queries may be sent to the Club via email info@nyalischool.sc.ke

We are happy to report that our children have continued to do well both in academic and co-curriculum activities. The Nyali School swimming team went to Nairobi for the national swimming competitions and posted an excellent performance. Recently, our children were involved in a very democratic process of electing their school President and her Cabinet. The exercise was supervised by the IEBC and the elected officials will be sworn into office in the next one week by a Magistrate or other Judicial officer and commissioner for oaths.

Honourable Members, it is noteworthy and of great honour to our Club that one of our members was recently appointed the Vice Chair Person of the IEBC. Mrs. Juliana Cherera is one of us and I ask you to join me in congratulating her upon her appointment as the Vice Chair Person, IEBC. We wish her the best in the discharge of her duties.

We thank you all for your continued support particularly during this difficult period of Covid-19 pandemic that has directly affected most of us if not all. We thank the members who have sacrificed a lot and cleared their school fees. We request those who still have fees balances to make effort and clear before the school goes on short recess. Kindly make the payment of your child's fees a top priority for the smooth running of the school.

We shall be releasing our angles to you in a week's time and they will be with you for barely ten days. Kindly be there for them and keep an eye on what they do as we ask God to guard them against any evil activities which are rampant in our society today.

Lastly we pray for the protection of God to all the Club members and your families. God bless you in all your endeavours as we offer unwavering support to our teachers and children to keep the flag of our institution high.

Yours faithfully,

BENJAMIN GITONGA
CLUB CHAIRMAN.
