The Mombasa Parents Club

4th March, 2022

TO: ALL THE STD 8 PARENTS

RE: THE 2022 K.C.P.E:

As we all know, our Champions are just about to do their very first National Exams. They are all upbeat and looking forward to these great days in their lives. We sincerely thank God for bringing us this far and shielding not only you our parents but also our staff and more importantly our champions themselves.

We have thoroughly prepared the candidates and left nothing to chance since October. I have no doubt in my mind whatsoever that they will excel. Please, take note of this very important information:

1. On daily basis, let the pupils be dropped to school by 6.30a.m. This will enable their teachers to settle them down and address any concern any champion may be having in various subjects. This will give them the required assurance and get rid of any form of panic which we all know arises due to lack of preparedness and guidance.
2. Today 4th March, 2022 was our Rehearsal Day and our Supervisor and Invigilators came to take them through what is expected of them (of course we have already done so as school). The rooms they will be using have been thoroughly cleaned, disinfected and the best furniture well arranged for their use.
3. The Saturday lessons will run from 7.00a.m to 5.30p.m. Kindly do pick them up at exactly 5.30p.m without delay. Let us **NOT** leave the Champions here up to late in the night.
4. **MONDAY TO WEDNESDAY:** On these very vital days, drop your child to school by 6.30a.m so that they can revise briefly before the exam begins. Picking time remains as it has been for the past days of the term (6:30pm). On Wednesday the exam will end by 11.00a.m. Let them be picked at noon after lunch.

5. I humbly request that the parents drop and pick the champions as you bond and instil confidence in the champions tomorrow. Let them **NOT USE MOTOR BIKE OR TUK TUK** (most of them are careless). Kindly do this for your child that I know you love very much, if not then do it for us.
6. We have bought transparent clipboards, Oxford Geometrical set (also in a transparent porch) and 2B Stedler pencils for every champion and a success card also for every champion from the Management Board. Kindly add them only 3(Three) pencils of the same type – that is the only thing you have to buy.
7. **MEALS:** The school will provide delicious meals. The only thing you will chip in is the 4:00pm snack which can be bought at the cafeteria.
8. **SCHOOL UNIFORM:** Kindly ensure that on all the exam days, the candidates are required to be in the school official uniform which must be clean and ironed.
The school will be out of bounds from Monday to Wednesday after dropping the candidates in the morning until the time you come to pick them. You are advised not to visit the school during the days when the exams are in session.
Let us invoke the name of the Almighty God all the time. Let us pray without ceasing that God will remember the toil and hard work plus the challenges our champions have gone through. Let Him* give them the knowledge, wisdom, memory and good health to enable them excel like never before.
This is a class that has been in Std. 8 for two years and the second one to start their exams on Monday in the history of this Country. They will for sure get extraordinary results in the name of the Almighty God.

I am available 24hrs for any clarification and concerns until our champions go through their exams successfully. God bless you all for your support.

NB:

- Avoid unnecessary visitations and festivities at home during this period.
- Allow them to have sufficient sleep.
- Prepare a good balanced breakfast before they come to school every morning. We all know the importance of a good breakfast for any human being.

Yours faithfully,
