Dear Parents/Guardians,

RE: MID TERM I 2022 CIRCULAR.

We are almost coming to the Mid Term and with a lot of humility and reverence, we appreciate and thank the Almighty God for His care, grace and unwavering love to US ALL. This is a very short term when it comes to serious and focused learning. It is equally a very busy term when it comes to assessments and projects. We purpose to thoroughly and effectively cover a good percentage of the syllabus/curriculum designs for all classes this term to give room for an all-round revision programme that will eventually give us the much desired excellent results at the end of the year at all levels of learning.

1. MID TERM: The school will proceed for the midterm break on Thursday 26th to 29th May 2022 and as such the school will not be in session. As usual therefore, the KG and lower primary wings of the school will break at 12:20 pm and upper primary will leave at exactly 5:00 pm. Those pupils who are picked by private cars must be picked on time without delay.

All pupils are expected back to school on **Monday 30th May, 2022** without fail. I request ALL parents to co-operate on this matter so that learning can resume on time without much ado. Some homework will be given to ensure our children are not idle and destructive at home and that their minds are not turned into the devil's workshop.

NATIONAL EXAMINATIONS: It is worthy noting that our current Grade 6 (CBC pioneers) and Std. 8 champions will be sitting for their National exams in November and I request that we remember them in our prayers so that God can see them through successfully. I request that you get in touch with the teachers/facilitators of your child as much as you can as you monitor the progress of your child because time is against us. Put a close eye on what these candidates do for proper utilization of time.

2. SCHOOL FEES: We thank and appreciate all those parents who have paid and cleared their fees by now. I appeal to those parents who have not cleared their fees to do so as a matter of urgency for the smooth running of this institution. As you all know our work as teachers is made complex every time pupils have to be sent out of classes due to school fee balances. It is also embarrassing for children of Honourable Members of this Club to be taken home to the surprise of their neighbours. We all know that the times are hard for all of us but I humbly request that we make the payment of our pupils' school fees a priority.

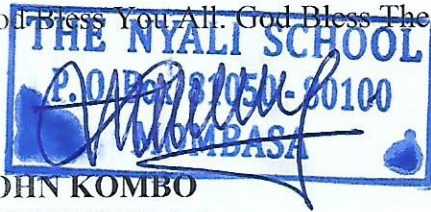

IMPORTANT UPCOMING EVENTS TO REMEMBER

God Bless You All. God Bless The Nyali School.
