MOMBASA**

Dear Parents/Guardian,

RE: END OF TERM ONE-2022 CIRCULAR.

We are almost coming to the end of Term One, 2022 and we thank God for this far He has brought us and for smooth transition, good health, wisdom, knowledge and co-operation received from the entire Mombasa Parents fraternity. Honour and Glory be to our Almighty God.

1. **Academic Progress Of Your Child:**

We are seriously committed to offering holistic quality education to our beloved pupils. We would like to humbly request every parent to frequently visit the school for fruitful meetings/discussions with class/subject teachers of your children to monitor their academic and social/character progress. As we continue to embrace the CBC learning system, let us all support our pupils and the facilitators in providing the necessary learning materials and closely monitoring of the assignments and projects.

2. **The School Library:**

The School Library is rich in both English and Kiswahili story books. We have over 3,800 story books in stock cutting across all learning levels for our pupils.

Encourage your children to borrow these story books to enhance a better reading culture and to foster good language skills and vocabulary.

3. **Discipline:**

Success in life calls for a lot of discipline on the concerned individuals. As a basic learning institution, we shall continue to have a firm but loving hand on the general character of our pupils.

Through the school Diaries you can book appointments to meet the teachers and discuss on issues pertaining discipline of our pupils.

We shall continue teaching our children the right virtues, skills, concepts, acceptable graceful language to use and respect for all. It is our noble responsibility which we must discharge willingly. **Be available for your child.**

4. **School Fees:**

We thank all the Club Members who have cleared their school fees in spite of the economic constraints we are experiencing at the moment. Please dear parents, let us make the payment of our childrens' school fees a top priority before the beginning of the term or within the first week of the new term. We do not wish to send pupils home for the same.

5. **Academic Open Day – 7th July, 2022**

Our Term One Open Day will be on 7th July, 2022 from 7.00a.m. upto 1.00p.m.

This is a day you cannot afford to miss. Accompany your child/ren and have time to discuss their progress/performance. It is through such forum where we know our children better and have a way forward on their total wellbeing.

6. **Important Term Dates to Remember:**

a) CLOSING DATE	-	30.06.2022
