The Nyali School  
MOMBASA**

Dear Parents/Guardian,

**RE: TERM 3 CIRCULAR – 2022**

We are in the second week of Term three of the academic year 2022. All learning areas and activities are going on well and we give thanks to the Almighty God for His presence. Despite several challenges that we have encountered we pray for God's will to guide and shower us with His blessings throughout as we gear up towards the end of this year.

**2022 KCPE/Grade 6 Final Assessment:**

This year, the Nyali School will present 107 candidates to sit for KCPE 2022 exam and 110 Grade 6 champions for their Kenya Primary School Assessment. These exams will run co-currently as from 28<sup>th</sup> November to 30<sup>th</sup> November, 2022.

The Teachers and Facilitators are doing what is humanly possible to achieve our expectations. We call upon God's intervention, your prayers and support upon our candidates to enable them get better results as we execute our duty to the candidates.

**Discipline:**

This is the pillar of firm foundation for our children's life. Let us all continue to be there for them and instil the correct values and give them advise when need be. Train them to cherish hard work for life is not a bed of roses. Encourage them to speak/report the truth both at home and at school. Ensure that our children are controlled over the use of social media, uncontrolled internet and TV programmes. Finally get to know the conduct and character of your child/ren and their friends.

**School Fees:**

We make a very humble request to all parents to pay and/or clear school fees in good time. This Term we do not wish to send pupils out of classes or interfere with their learning because of unpaid school fees. Looking forward for your cooperation on this matter.

**School Uniform:**

Our pupils to embrace uniformity in dressing and good grooming, provide the correct uniform including sports shoes – (Butter Bullets) and purely white socks for P.E. and games. Boys should trim their hair short as expected without fancy hairstyles as for the girls - Kilimanjaro and pleating back/'mlazo'.

**Tuition Area:**

We would like to reiterate parents to refrain from accessing their children's classrooms as this interrupts learning and concentration. Drop and pick them at their picking points.

**Educational Trips:**

Trips are purely educational. We urge our honourable parents to embrace the above wholeheartedly for the betterment of academics. This gives the children opportunity to learn through seeing and also give first-hand information from real sources unlike intermediary forms. We call upon parents from all the classes to co-operate as we look forward to Grade 5 and Std 7 educational trips.
