RE: CHAIRMAN'S NEW YEAR COMMUNICATION

Happy New Year 2023

On my behalf and on behalf of the Board of Management I welcome you for the new academic year.

Am pleased to report that we are ready for the Junior Secondary School. We have constructed the physical infrastructure consisting of a brand new Administration block that will herald 13 new classrooms, 2 well-equipped modern laboratories for the technical subjects, 2 offices and ablution facilities for staff and students. We have also put in place the necessary teaching personnel as required. As result of this increased capacity, an in light of the changes made by the Ministry of Education regarding the management of Junior Secondary School and due to increased demand, we have increased our class streams from 3 to 4 for each class. The extra classes are almost ready together with the attendant facilities. As earlier advised we also acquired a bus for this JSS section.

We also bring to the attention of the members that the Club is refurbishing the garage and erecting a shade for parking our buses in order to protect them from the vagaries of Coastal weather, which exposes them to quick decay and rust. Consequently, there is a level of interference with the parking space, which will remain until the civil works are completed. Kindly bear with the situation.

We regret to inform you that some members of the club filed a suit in Court restraining the Board from employing a Principal. You are also aware that another parent similarly went to Court and

stopped the last Annual General Meeting whose Agenda included the Elections of a new Board of Management.

For the record and for the information of members the two suits are hereunder:-

a) HCC NO. 42 OF 2022

1. Dr. Jean Uzel
2. Dr. Kerich Mary
3. Dr. Michael Mbindyo Munywoki
4. Ahmed Ali Twahir
5. Dominic Muange
6. Joe Muthui
7. Ali Abdulsamad
8. Mrs. Maryam Farouq

MOMBASA PARENTS CLUB

To say the least, the aforesaid litigation has interfered with the smooth running of the Club and School. Particularly the Board is unable to convene an AGM as envisaged in our constitution and the school remains without a substantive Principal due to the cases filed by some of the members of the Club.

Nevertheless, your Board is doing everything within its power to make decisions necessary to ensure that our children get quality education and maintain the highest possible standards that Nyali School is renowned for. We thank our great team of teaching and non-teaching staff who continue to serve with dedication and commitment.

The running and management of the school particularly with the introduction of Junior Secondary School requires the employment of a Principal with the requisite qualifications, expertise and experience. We are happy to report that we have employed a Deputy Principal, who will, pending the determination of the suit in court, take on the role of Acting Principal. Mr. Tony Ongugo Ochieng has a wealth of experience not only as a teacher but also as a manager. We have no doubt that he will add value to The Nyali School and take our performance a notch higher whilst maintaining the renowned quality standards of our school. We urge you to give him full support.

We look forward to a bright, brilliant and blessed New Year 2023

May God Bless you all.

Benjamin Gitonga
Club Chairman.
