Dear Parent,

RE: SCHOOL RECORDS AND ATTENDANCE MANAGEMENT (PILOT PROJECT)

We are implementing a pilot attendance records management system. The system has the following functionalities:

1. Clocking in and out for learners and staff.
2. Send text notifications to the parent when the learner clocks in or out of the school.
3. Records of checking in to the bus and out for the learners.

The initial experimental trial is on a small scale. This will help us to prove the viability of the project idea and learn how a large-scale project might work in practice.

Kind regards,

For and on behalf of

The Nyali School,

Toney O. Ongugo

Ag. Principal
