Dear Members,

**RE: MAIN HIGHLIGHTS FROM OUR LAST BOARD MEETING**

Following our last Mombasa Parents Club board meeting, allow me draw your attention to the following issues that were deliberated on:

1. Following the resignation of Md. Khadija Khalid as the MPC Education Secretary, Mr. Thomas Bifwoli was unanimously endorsed as the new acting MPC Education Secretary by the board following his background knowledge on education matters and having served as a teacher until a new MPC education secretary is elected during the AGM
2. The rear gate is to be temporarily closed after the midterm since it is now becoming a hindrance to the growth and development of The Nyali School. Notice letter on the closure will also be dispatched on the same.
3. The board with great concern urges the members who went to court to withdraw the cases to allow the board to call for the AGM. This will further enhance the smooth running of our great Club, The Mombasa Parents Club.
4. The MPC Board members are cordially inviting all the members of The Mombasa Parents Club to the **Annual Prize Giving Day scheduled for 18<sup>th</sup> March 2023** with the sole purpose of motivating our children and the teachers as well.

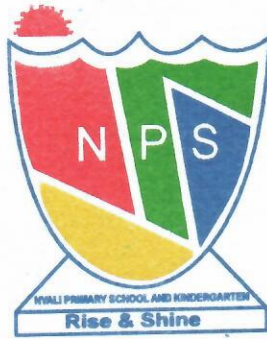

We are looking forward to you for your support and cooperation in making our Club better.

Kind regards.

Yours faithfully,

  
**Benjamin Gitonga**

**Dear Members,**

**RE: NOTICE ON THE CLOSURE OF THE REAR GATE**

In reference to the subject above, allow me humbly on behalf of The Mombasa Parents Club board of management after lengthy deliberation in our last meeting inform each one of you that we are planning to temporarily close the rear gate in our school as from 22<sup>nd</sup> March 2023 after the mid-term break because of the following reasons:

- A number of strangers access our school premises using the rear gate putting our children and school property at risk.
- A number of people have started driving in through the rear gate leading to further damage on our field which we are planning to upgrade during the holiday. If the same is allowed to continue then we shall be doing zero work in the field.
- The guards who have been charged with the rear gate have always been compromised. We have made several changes to the guards on the rear gate but we are still experiencing the same problem.

Dear members, we are taking this measure for the safety and well-being of The Nyali School fraternity.

Thank you all for your continuous support and cooperation in making The Nyali School better every day.

Kind Regards,

Yours faithfully,

**For and on behalf of  
The Nyali School**
