The results from this exam will be ready as we come from midterm break. Please find time and discuss with the teachers the progress of your children in every subject. Let us help our children by instilling a good reading culture in them during the break.

MIDTERM BREAK

We shall break for our midterm on **Monday 26th June, 2023** after classes. All learners are expected back on **3rd July, 2023** at the usual time without fail.

In the spirit of celebration, on behalf of the management team, staff and learners we wish our Muslim parents and learners Ramadhan Kareem as they mark the end of the Holy Month of Ramadhan through of Eid-ul-Adha celebration.

JUNIOR SWIMMING GALA

This is a very entertaining event scheduled to take place on **Saturday 24th June, 2023** from 8:30am to 1:00pm. It is usually fulfilling to see the competitive spirit in our little children. We take this earliest opportunity to cordially invite you to join us as we cheer and motivate our children's talent.

SCHOOL FEES

I thank those parents who have cleared this terms fees. I am very much aware that the times are hard but it is our noble responsibility to make the payment of school fees of your child (ren) a top priority. Let the parents that have fee arrears make effort to clear before midterm is over. No child will be allowed back to class before the outstanding amount is settled in full after the midterm break.

DISCIPLINE

We are aware of the challenges facing our institutions of learning across the country not forgetting the level of moral rot in our society. Please dear parents let us work together to instill the right values in our children. As an institution, we shall endeavor to have a firm hand on the discipline of our children you have entrusted on us. Even as we break for midterm, kindly talk your children on the virtues to adapt and vices to avoid in and out of school.

Once again thank you for continued support. May the Almighty God bless you.

Kind regards.

Yours faithfully,

For and on behalf of:
