22nd June 2023

**All Members,
The Mombasa Parents Club.**

Dear Member,

RE: THE 2022 MPC ANNUAL REPORT AND FINANCIAL STATEMENTS

The above matter refers.

We were set to hold our AGM to discuss matters affecting the school including approval of the Financial Reports for the years 2019, 2020, 2021 and 2022 as should be the case per the Club constitution but due to the court cases filed by some members that stopped the AGM, we were not able to present to the members the Financial Reports for the said years as we are to obey the court orders.

We have made several efforts to persuade the dissenting members but apparently, they have withdrawn from the talks that were meant to resolve the stalemate to allow for the AGM to take place.

We are left with no option but to share the 2022 Financial Report just as we did for 2019, 2020 and 2021. This decision has been arrived at after a discussion with the Board members.

You can access the Financial Reports on our official school website <https://nyalischool.sc.ke> for your consumption, perusal and feedback.

Thank you all for your continuous support in ensuring that our Club grows even bigger and better every day.

Kind regards.
