***The Mombasa Parents Club***

All Members,

Dear Honourable parent,

**RE: SCHOOL FEES**

In reference to the subject above, you are hereby humbly reminded to clear/pay the school fees as stipulated in the Club's Constitution page 10 section 15(b) and I quote "school fees, college, tuition and other training fees shall be payable on or before the first day of the school or college term or semester"

Dear honourable parent, humbly take note that we shall not allow any learner with fees arrears in class as from 29<sup>th</sup> August 2023. This therefore means that all the commitments that were made are overtaken by events and time. Third term fees ought to be paid by 29<sup>th</sup> August 2023 as per the constitution.

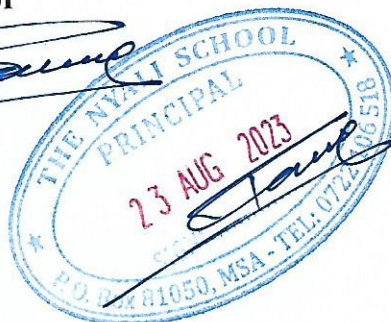

We sincerely thank each one of you for the support and prayers. Kindly do the same with us for the third term of the academic year 2023.

Kind regards,

Yours faithfully,

**For and on behalf of;  
The Nyali School**
