## EXTERNAL MEMO

**From:** The Principal's Desk

**To:** All Parents

Dear Hon. Parents,

**RE: Welcome Remarks and Updates.**

I hope this note finds each one of you well with your families. Happy Blessed New Year everyone.

We are all humbled by the grace and goodness of our God who has seen us through the year 2023 and enabled us to see 2024.

Kindly take note of the following pieces of information:

**1.) AG Principal's Welcoming Remarks**

Dear Honorable parents, I take this opportunity on behalf of the entire Nyali Family and by extension MPC Board to welcome each one of you to the 2024 academic year and I pray that God is going to grant us a peaceful and successful year. Let us all humbly cooperate in every way possible to make our school better.

**2.) Reporting Date**

We shall all (including Grade 7) officially open school on 9th January 2024. Let us make the necessary preparations to ensure that all the champions report back in time.

### 3.) Good Grooming

We humbly request that you ensure that all the champions are properly groomed. Boys to shave as appropriate and girls to plait well. We shall NOT allow any other hairstyle (NO braids) or shaving style that is not prescribed by our school. Kindly take note.

### 4.) School Fees

Our school solely depends on the school fee levies to meet all the financial obligations and bills. Dear parent, kindly ensure that the school fee is paid early enough for proper planning of the term. We shall give ONLY the first week after opening for the 1st term fee to be paid.

Kindly take note that we shall NOT allow any learner with last year's fee balance to get into the classroom.

### 5.) Clubs

We expect all the learners including the JSS to join at least one Club to aid in nurturing their talents and competencies. We are introducing two more new clubs that is Cooking Club and the ICT club.

We shall share a form with all the clubs listed and their cost on Tuesday next week to enable you to select the right club with your son or daughter.

### 6.) Lunch From Outside

We shall NOT allow anyone to bring food on behalf of some parents to sell to their children in school. This is completely against the Basic Act of Education on the Safety and Standards for minors while at school. Lunch brought directly to the champion by the individual parent is welcomed.

Dear parent, your support, cooperation, and prayers are all that we ask for humbly. May our good God bless the work of your hands richly this year.

Thank you all for your anticipated cooperation throughout this new academic year 2024

Kind Regards,

  
Toney Ongugo  
AG. PRINCIPAL
