

The Mombasa Parents Club

6th February, 2024

Dear Honorable Members,

RE: JUNIOR SCHOOL TUITION FEE ADJUSTMENT

The above subject refers.

We notify you that after considering all the circumstances, we shall adjust the tuition fees for Junior School being grade 7 and grade 8 by reducing the same by a sum of Kshs. 10,000 per learner with effect from January 2024. The reduction is necessitated by the fact that the Government has merged some of the learning areas for Junior School, meaning that less resources are required to teach our learners. Of greater importance is the need to cushion our members against the current existing harsh economic times and to ensure that our school remains competitive cost-wise.

This therefore mean that the tuition fee for both grade seven (7) and grade eight (8) is Kshs. 47,450 per term down from Kshs. 57,450. The parents who had made payment using the old fee structure will have an excess of ksh.10, 000 to be carried forward to the next term.

Thank you for your continuous support and cooperation even as we strive to provide the best, relevant, quality and holistic Education to our children.

Kind Regards.

Yours Faithfully,

The Mombasa Parents Club BOM,

Benjamin Gitonga

MPC Club Chairman
