GRADE THREE LEARNERS VISIT THE FARM

The grade 3 learners had a fun and educational day last Thursday, February 15th! Visiting a farm provided them with a hands-on experience to learn about animals, agriculture, and the environment. Afterward, going for lunch and swimming at Kilua Resort added an element of enjoyment and relaxation to their day. Such field trips contribute to a holistic learning experience, allowing students to apply what they've learned in the classroom to real-life situations and fostering social interactions among them.

TRIBUTE TO ENGINEER NICHOLAS OKUMU

It is with deep sorrow and heavy hearts that the Board of Management of Mombasa Parents Club pays tribute to the late Nick Okumu. Nick was not only a loving husband to Ann Okumu, a dedicated board member, but also a cherished father to Sherryl, Shanniez, former pupils of The Nyali School and Shemaiah, currently in Grade Four.

Nick's presence and contributions within our school community were invaluable. His unwavering support for education, commitment to family, and friendly demeanor left a lasting impact on everyone fortunate enough to know him. The loss of Nick is deeply felt by all members of our school community, and we extend our heartfelt condolences to Ann, Sherryl, Shanniez, Shemaiah, and the entire Okumu family during this difficult time.

In memory of Nick Okumu, may we cherish the moments we shared with him, celebrate the positive influence he had on our community, and offer our support to his grieving family. Our thoughts and prayers are with the Okumu family as they navigate through this challenging period of loss and mourning.

May Nick's soul rest in eternal peace.
