RE : Updates From School

The Mombasa Parents Club

Dear Honorable members, I hope this note finds each one of you well with your families. Kindly take note of the following pieces of information

1.) Appreciation

I sincerely on behalf of the incoming board extend our heartfelt gratitude first to the Almighty God for this far He has brought us and secondly to each one of you for the honor you have accorded us by voting us in to serve on the Board of Management in this great club on your behalf. We shall strive to ensure that we do our best to make our school and the club better for all of us.

2.) Unity of the Members

Dear honorable members, it is now time that we all come together and build our great club and the school. We might have differed in our opinions during the campaigns but God has seen us through this exercise peacefully. It is therefore incumbent upon each one of us to bury our differences and forgive one another for the common good of our school. I will lead in ensuring that we as a board preach and practice inclusivity to foster unity and development in our great club.

3.) School Levies

From the brief report that we have gathered, the outstanding school levies is quite high and this affects the normal operations of our great club. In this regard therefore, I want to humbly appeal to each one of us to make an effort to clear the arrears as soon as possible since the school has bills to settle, all of which are dependent on the school levies. It is our noble obligation and I believe that God will give us the resources to meet the same without any hindrance.

Once again thank you the support you have accorded the Nyali School over the years and I pray that may we continue to do so for the sake of our good and innocent children

Yours faithfully,

MR. ALI SALIM

THE CHAIRMAN,
