24th June, 2024

Dear Esteemed Parents/Guardians,

RE: MIDTERM BREAK

I hope this letter finds you in good health and spirits. We wish to inform you of the directive received from the Ministry of Education regarding an immediate commencement of midterm break for all students. This measure has been taken to ensure the safety and well-being of all our learners during this period of potential unrest regarding the planned countrywide protests concerning the finance bill.

Please take note of the following important points:

1. Student Engagement:

We encourage parents to keep their children engaged and occupied during this break. This can be through reading, educational activities, or other productive tasks to ensure they remain in a learning mindset.

2. Return Date:

The past several weeks have presented unique challenges for our school. However, we want to reassure you that we are working diligently to transition back to normal learning activities. It is our utmost priority to ensure that our students can return to a familiar and productive learning environment.

Our dedicated staff is fully prepared to provide the necessary support for a successful transition back to in-person learning.

Therefore, **ALL LEARNERS** are expected back in school on **Monday, 1st July, 2024**, without fail.

3. School Fee:

Kindly ensure that all outstanding fees are paid in full before the learners resume from the break. No Learner will be allowed back to class with a fee balance.

We sincerely thank you for your patience and understanding during these challenging times. Your support is invaluable to us, and we deeply appreciate your cooperation in ensuring the safety and continuity of our learners' education.

We look forward to welcoming the learners back to school for the remainder of Term II academic calendar.

Yours faithfully,

OMAR C. BABU
