

THE NYALI SCHOOL
PRE-PRIMARY, PRIMARY & JUNIOR SECONDARY
RISE AND SHINE

23rd October 2024

TO: ALL THE MEMBERS

REF: CHAIRMAN'S END OF THE YEAR COMMUNICATION

Greetings to all honorable Members.

On behalf of the Board of Management (BOM) of the Mombasa Parents Club, I wish to thank the Almighty God for enabling us to come to the end of 3rd Term and to the end of the academic calendar for this year.

Indeed, this has been an eventful year and am delighted that after an unfortunate and uncalled for stormy period, we have settled and smoothly run the affairs of the Club/School.

I would like to kindly report briefly on certain aspects of the Club/School operations.

1. STATUS OF LEARNING

I am pleased to inform you that learning in our school has been ongoing on very well during the 3rd Term. Our teaching and non-teaching staff have worked very hard to ensure that the syllabus has been completed and the learning environment for our learners is conducive.

As we are all aware, our Grade 6 candidates are scheduled to sit for their KEPSEA assessment starting next week on 28th October, 2024. I wish to take this opportunity on behalf of the BOM to wish them all the very best in their assessment. I am confident, that the hard work and sacrifice of both our candidates and our teachers will yield into good results. I urge all the members to remember our candidates in their prayers.

Dear Members, next year we also have our Grade 8 class of this year, moving to Grade 9 wherein they will be expected to sit for their national exam before transiting to Senior Secondary. The BOM understands the task ahead of it and has already initiated the processes to ensure our Grade 9 will be provided with all the required support to ensure that they are well prepared for their end of year assessment.

To our PP2 and Grade 3 graduands who are scheduled to graduate later during the end of the term, I, on behalf of the BOM, wish to congratulate them for their achievement. I am proud of them and wish them success in their future academic

Owned by the Mombasa Parents Club

UNITY AMONG MEMBERS

Dear honorable members, I am pleased to note that our unity as club members has continued to improve since we had the Club elections and the unfortunate events which followed. I am closely following the parents' social media platform discourse for any concerns that may be raised in regard to the management of the Club. I am delighted that, today, parents are engaging each other on issue-based matters by and large and with decorum. I encourage parents and members of the club to continue engaging each other in club/School affairs while maintaining their respect, love and club unity.

2. ZERO-TOLERANCE TO CORRUPTION

As promised during my inaugural speech, I will implement a Zero-Tolerance policy towards corruption in our management of the Club/School affairs. I am pleased to announce that, today, my team has closed almost all the loopholes of money siphoning that was rampant in the previous management.

3. CHAIN OF COMMUNICATION:

Dear members, I understand there has been a communication barrier between Members of the club and previous Boards of Management which made it almost impossible for members to air their sentiments so that it may reach the required office of the Board for follow up.

I am pleased that my team and I, have implemented an open-door policy wherein Members are free to engage the Board on any matter affecting the Club/School. In this regard, I have on several occasions hosted members of the club in the school to discuss their concerns. I encourage Members to reach out to the BOM in case they may have any concern regarding the management of the club/School.

4. 2025 ADMISSION AND NEW MEMBERS:

I am pleased to announce that we are now open to receiving new applications for admission to our Play Group, Lower Primary and JSS. Members are encouraged to apply for available slots. You may liaise with the office of the Ag. Principal for more information on the application for the admission.

Additionally, members are encouraged to invite and propose new members to the Club from their friends, relatives or any other interested person.
The Club is open to welcome new members.

5. SCHOOL FEES:

I am glad to report that many parents have overwhelmingly honored their fees obligations during the 3rd term. Many others have partially cleared their fees while there are still others who still may have fees arrears.

Dear members, we are still faced with a huge need for capital to assist in financing our rebuilding activities. The rebuilding process is in massive need of the finances and with your support we shall be able to fulfill our targets.

I kindly urge all parents with fees arrears to promptly clear their fees arrears. For those who committed in writing on to how they will clear the fees arrears, I kindly urge them to honor their commitment.

As BOM, we target to collect all the monies owed to the School so that during school holidays, we can undertake the major repairs required in the school.

6. HOLIDAYS:

Lastly, as we draw close to the end of the year, I am sure many of us will be travelling for our holidays. I wish to take this opportunity, on behalf of the BOM, to wish all of you Journey mercies and happy festive season ahead of us.

I look forward to a happy and prosperous 2025.

May God almighty bless Mombasa Parents club and Nyali Primary School.

Yours faithfully,

ALI MOHAMED SALIM
CHAIRMAN - MOMBASA PARENTS CLUB
