

THE NYALI SCHOOL
PRE-PRIMARY, PRIMARY & JUNIOR SECONDARY
RISE AND SHINE

18th October, 2024

Dear Parents and Guardians,

RE: END OF ACADEMIC YEAR 2024.

As the academic year 2024 draws to a close, I would like to give my heartfelt thanks to the Management Committee for the continued visionary guidance and unwavering support in steering the school towards excellence, to the Parents for resilience in nurturing our learners and maintaining high standards throughout the year, to our learners who have soldiered on despite the challenges faced. We applaud your determination and growth and look forward to seeing you excel.

Here are a few key highlights to check on:

Closing & Opening Day

The school will officially close for the December holidays on **24th October, 2024 at 12:10 pm** except Grade 6 candidates who will leave at 4:10pm.

Please ensure that learners are reminded to carry home all their textbook and any other personal belonging. Nothing should be left in their desks.

The School will **re-open on 7th January, 2025** for the academic year 2025.

Academic Progress & Open day

We are pleased to report commendable academic progress among our learners this year. Our dedicated teachers have worked tirelessly to ensure that each learner is provided with the guidance and resources necessary to excel. We encourage parents to continue being involved in their children's academic journeys, offering support and reinforcement at home to enhance the learning experience. Together, we are building a strong foundation for their future success.

This terms Open day/Report picking will be held on **7th November, 2024.**

KPSEA National Exams

As we approach the KPSEA National Assessment which will kick off from 28th-30th October, 2024 we want to wish our Grade 6 candidates the very best. They have prepared diligently throughout the year, and we are confident they will perform exceptionally well. We encourage parents of candidates to provide a supportive and calm environment at home as they continue their final preparations. Let us keep them in our thoughts and prayers as they enter this critical stage of their academic journey.

NB. Please note that Parents are **NOT** allowed to visit the school during this Assessment Period.

School Fees

As we approach the end of this school year, we would like to appreciate the effort and commitment of parents who have honoured the school fees obligations. For those with outstanding balances, we kindly request that all arrears be cleared by close.

This is crucial to allow smooth preparations for the new academic year and to avoid any disruptions to your child's schooling come next year.

The accounts office will be open partially to allow advance payment of school fee for the next academic year.

Discipline

Discipline remains a core value at our school, and we are proud to see most learners upholding it both in and out of the classroom. However, we remind parents to reinforce the importance of good behavior, respect, and responsibility even during this long break. These values are integral to shaping well-rounded individuals ready to face the world. We will continue to work closely with you to ensure a nurturing environment where discipline and learning go hand in hand.

School Uniform

The school uniform is a representation of our identity, and we expect all students to maintain it in good condition. We kindly remind parents to ensure their children have proper uniform attire that fits well and adheres to the school guidelines come January 2025. This includes polished shoes and neat grooming –short hair for the boys and well plaited hair for the girls. A uniform inspection will take place at the beginning of the new school term to ensure compliance

Admissions for 2025

We are now accepting applications for the 2025 academic year. If you have any siblings, friends, or relatives who wish to join our school, we encourage them to submit their applications early as slots are limited. Our **INTERVIEW DATE** is **8th November, 2024**. The office will be open during the holiday season to accommodate inquiries and assist with the admission process. Spread the word!

Holiday Activities

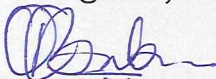

As the holiday season approaches, we encourage parents to plan constructive and engaging activities for their children. Reading, creative projects, and outdoor play are great ways to keep them active and learning during the break. We also encourage limiting screen time and promoting healthy habits, including spending time with family, helping with chores, and engaging in physical activities

Social Media: A Caution for Growing Kids

In today's digital age, children are increasingly exposed to social media platforms, which can have both positive and negative influences. We strongly advise parents to monitor their children's online activities and have open conversations about responsible internet use. Teach them to be cautious of the content they consume and share, to avoid cyberbullying, and to respect others' privacy. Together, we can guide our children in navigating the digital world safely and responsibly.

We wish you all a restful and joyful holiday season. Let's recharge and come back stronger for the next academic year.

Warm regards,

**OMAR C. BABU
