Dear Parents and Guardians,

MID TERM 1 NEWSLETTER

As we approach the mid-point of Term 1, we are pleased to share the progress our students have made in both their academic and personal development. The learning environment has been vibrant, with learners actively engaging in lessons. Teachers have been working closely with each learner to ensure that they are challenged and supported throughout their educational journey.

In addition to their classroom achievements, our students have participated in a range of enriching extracurricular activities, such as the Scouts Camp, the Pre-primary and Lower primary educational trips and now the Swimming Gala that we are all anticipating.

1. Successful Class Meetings

We would like to extend our heartfelt thanks to all parents and guardians for attending the recent class meetings. Your presence and contributions make a significant impact, and we are grateful for the support you continue to provide in shaping our learner's education.
