END OF TERM 1, AG. PRINCIPAL'S COMMUNICATION

Greetings from the Ag. Principal – The Nyali School!

As we conclude Term 1, I would like to take this opportunity to thank you for your continued support in ensuring the success of our learners. It has been a productive and exciting term, and I am pleased to share key highlights with you.

1. Academic performance.

Our students have made impressive strides in their academic progress. From engaging lessons to collaborative projects, it's clear that the commitment and hard work of both students and teachers have paid off. We will continue to monitor academic progress and ensure that each student receives the necessary resources to thrive.

2. Co-curricular activities

We believe in holistic education, and this term, our extracurricular programs have flourished. Students have participated in various co-curricular activities including sports, drama, swimming, athletics, camping and giving donations to the less fortunate in the society. These programs are integral to fostering well-rounded individuals, and we encourage students to continue exploring new passions and interests.

3. Discipline and conduct.

We emphasize discipline as the key pillar of success. Parents and guardians are encouraged to continue guiding and fostering good behavior at home to ensure that our children uphold the highest standards of discipline. I would like to emphasize the importance of using the proper channels of communication when addressing any concern related to the school.

Our communication structure:

Parent/Guardian ➡ Class Manager ➡ Senior Teacher ➡ Deputy Principal ➡ Principal.

4. Parental engagement/involvement

We deeply appreciate your active involvement in your child's education. Your participation in the recent class meetings and the support you accorded in pupil projects have greatly contributed to the success of our school.

5. School fees payment

Our school solely depends on fee collection to enable it to meet its day to day obligations and smooth run. We encourage our parents and guardians to pick up this role religiously so that the school can operate smoothly without disrupting pupils' learning.

Owned by the Mombasa Parents Club

Most importantly, I extend my immense gratitude to all parents and guardians who have fulfilled their obligation by clearing school fees on time. Your commitment and cooperation are invaluable in ensuring the smooth operations of our institution.

Our school is a shared responsibility, owned by us parents and guardians, not just the board of management or administrators. Let us prioritize the payment of school fees to enhance our institution's service delivery and improvement of our infrastructure.

NOTE:

1. Issuance of assessment reports/ outcomes on 8th April 2025 will be done only to those who have cleared term 1 fees.
2. Pupils who have not cleared term one fee won't be allowed in class when schools reopen for term 2, on Monday 28th April 2025.

6. Expectations for term 2

As we prepare for the next term, we expect students to return well rested and ready to learn. Kindly ensure that your child has all the necessary school supplies from proper school shoes, school uniforms, the recommended hairstyle and school stationery.

7. Closing and School Opening Dates

- A. **Closing date:** Friday 28th March 2025.

Conclusion

We appreciate your trust in us and remain committed to providing quality and holistic education. Let us continue working together to nurture responsible and successful individuals.

As we approach the joyous occasions of EID UL FITR and EASTER celebrations, I extend my warmest wishes to you all. May this season of faith, reflection and celebration bring peace, happiness and blessings to our homes. May it also strengthen our unity as a School community.

May God bless The Nyali School

Yours Sincerely,

Omar C. Babu,
Ag. Principal,
