**REF: CLUB CHAIRMAN'S COMMUNICATION - TERM II, 2025**

---

Warm greetings from the Chairman.

First and foremost, I extend my heartfelt gratitude to the Almighty God for granting us the opportunity to return safely for Term II after a short break.

I trust the holiday offered everyone a much-needed chance to rest, re-charge and reconnect. As we begin this new term, I am delighted to witness the renewed energy and enthusiasm throughout our school community – our students have returned in strong numbers, eager to learn; our teachers are well-prepared to inspire and guide; and parents continue to provide their invaluable support.

With this positive momentum, I would like to take a moment to share a brief update on key areas of our operations.

**1. TERM II OF 2025:**

Term II brings with it exciting opportunities for both academic achievement and personal growth. From classroom milestones to extracurricular activities, this is a term in which we encourage every learner to explore their potential and strive for excellence.

Our dedicated staff remain unwavering in their commitment to delivering quality education and we sincerely thank them for their passion and tireless efforts.

To our parents and guardians, your involvement continues to be a cornerstone of our success, and we deeply appreciate your partnership in nurturing the character and capabilities of our learners.

## 2. CHAIN OF COMMUNICATION:

I would like to reiterate that the Board of Management has adopted an open-door policy, encouraging all Members to freely engage with the Board on any matters concerning the Club or School.

Once again, I urge Members to approach the Board directly with any concerns related to the management of the Club or School, rather than turning to social media platforms. Additionally, we kindly ask for your patience as we implement various changes in Club/School. Rest assured, the Board of Management will provide timely updates and communicate any developments as appropriate.

## 3. NEW STAFF:

Honorable members, as you may be aware, some positions in the School have remained vacant for a sometime while a few of our staff voluntarily exited the school over the course of last year and this year in pursuit of new opportunities. These vacant positions and departures included key positions such as the School Principal, School Accountant, School Secretary, and several facilitators (teachers). Their exit created human resource gaps that required prompt action to ensure continuity and uphold the quality of our service delivery.

To maintain effective, efficient, and high-quality operations at The Nyali School, it is essential that we consistently staff our departments with individuals who possess the right qualifications, competencies, and professional attitude.

In response to these staffing gaps, the Board of Management initiated an open, transparent, and competitive recruitment process. I am pleased to report that this process successfully led to the appointment of the following individuals, who will officially assume their roles on 2nd May, 2025:

1. **Ms. Aurelia Mumbi Manyeti** – School Principal
2. **Mr. Dennis Ngalla Msanzu** – School Accountant
3. **Ms. Violet Gacheri Mbae** – School Secretary

Additionally, the Board is in the process of recruiting Four (4) Junior Secondary facilitators, following the job advertisement published on 11th April 2025.

Please join me in congratulating and warmly welcoming our new staff members to The Nyali School. We wish them every success as they take on their respective roles. I would also like to extend my heartfelt appreciation to you, our dear parents, for your vital support in sharing and circulating the job adverts during this important recruitment phase.

Let us continue to work together in supporting our new team members as we strive to make The Nyali School even better.

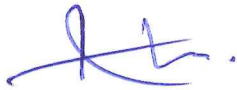

**4. SCHOOL FEES / MEMBERSHIP FEES:**

The school continues to experience a significant need for capital to support our ongoing rebuilding and development initiatives. These efforts require considerable financial resources, and with your continued support, we remain confident in our ability to achieve the goals we have set.

In this regard, I kindly urge all parents to begin making fee payments for the current term and for those with membership fee arrears to quickly settle them. Timely payments are essential to ensure the smooth operation of the school and to sustain the momentum of our development projects.

May God almighty bless Mombasa Parents club and Nyali Primary School.

Yours faithfully,

ALI MOHAMED SALIM
