THE NYALI SCHOOL

PRE-PRIMARY, PRIMARY & JUNIOR SECONDARY

RISE AND SHINE

CIRCULAR **Date: 2nd January, 2026**

Dear Parents/Guardians,

New Year Greetings & Thanksgiving

Warm greetings from the school management and a Happy New Year 2026 to you and your families. As we begin this new year, we thank Almighty God for His protection, guidance, and provision throughout the holiday period.

Academic Performance & Reporting Date

We also thank God for the good performance of our Grade 9 learners in the KJSEA Assessment and congratulate the learners, teachers, parents, and the Board of Management for the teamwork and commitment that contributed to these commendable results. We wish to inform parents that we are still awaiting the official release of the Grade 6 KPSEA results. Meanwhile, all learners, including those awaiting the KPSEA results, are required to report to school together with the rest of the learners on **Tuesday, 6th January 2026**, and learning will resume immediately.

Appreciation & Admissions

We sincerely thank you for your continued support and cooperation throughout the year and appreciate parents who have referred new families to our school. Kindly note that we are still receiving learners for interviews.

School Development

The school continues to make steady progress. The kindergarten playground has been fully upgraded and fitted with brand-new play equipment for the benefit and enjoyment of our young learners. We sincerely thank the Board of Management for their support and initiative in making this project a success.

Preparation for School Opening

As we prepare for the new academic year, parents are kindly requested to prepare learners adequately by purchasing the required learning materials. Learners whose uniforms are worn out or have become small should be provided with new ones in readiness for school opening.

Fees Payment & Management Transition

We are also progressing well in the transition to the new management system. Parents are encouraged to continue making school fees payments for the upcoming academic term. Please note that **50% of the school fees must be paid on or before the reporting day, 6th January 2026**. Parents with outstanding

2025 fee balances are requested to clear them, as learners with fee arrears will not be allowed to report to school on opening day.

Closing Remarks

We wish all our parents, learners, and staff a Happy, Peaceful, and Prosperous New Year 2026. Thank you once again for your trust, cooperation, and partnership. We look forward to a successful academic year.

Yours faithfully,

Mdm. Aurelia
Principal
